PRODUCT INFORMATION

Product Category: Collapsible Bulk Containers

Industries: Automotive, textiles

The 40" x 48" Medium-Duty Collapsible Bulk Container with two-piece compression and heat-welded base offers the best strength-to-weight ratios in the industry. The Container's high-pressure injection molded design delivers strength and durability with smooth surfaces. This 40" x 48" footprint with 34" and 39" height options are ideally suited for food processing and general distribution applications. High-pressure injection molded design delivers strength and durability with smooth surfaces with a superior load handling strength up to 1,800 lbs.

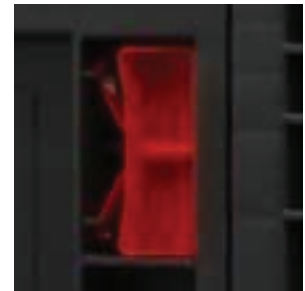

TEXTURED LABEL AREA

Textured label areas eliminate the need for placards

INTERLOCKING WALLS

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

ERGONOMIC LATCHES

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

FEATURES & BENEFITS

1,800 lbs.-capacity

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

Two drop doors allow for easy access to the interior of the container

Made from high-density polyethylene.

Will not rust, peel or splinter

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and sidewalls.

A solid bottom ensures small parts will not be lost and provides a smooth and even load surface.

34" 90 & 39" 60 open bins fit in a 53' trailer. 240 collapsed containers fit in a 53' trailer.
