

45 x 48 Heavy-Duty Solid Floor Collapsible Bulk Containers

Spring Loaded Latches

Interlocking Walls

Solid Bottom

Two Drop Doors

4-way Access

Injection-molded Base

PRODUCT INFORMATION

Product Category: Collapsible Bulk Containers

Industries: Automotive, Industrial Manufacturing

The 45" x 48" heavy-duty solid floor collapsible container, with 2,000 - 2,500 lbs. capacity, is 25% lighter than other comparable standard bulk containers. This collapsible bulk containers is a fully sustainable, returnable, round-trip packaging option. Made from 100% recyclable HDPE, vthis container will reduce your carbon footprint. The patented injection-molded base is durable and impact-resistant to reduce product damage.

CORNER DRAIN HOLES

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

FULLY ARTICULATING HINGES

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall

INTERLOCKING WALLS

Interlocking sidewalls at the corner of the container ensure high load capacity and stability.

FEATURES & BENEFITS

Drop doors on each 48" sidewall allow for quick, easy loading or removing contents.

2,000 - 2,500 lbs. capacity

Available Heights: 25", 34", 41", 51"

Made from 100% recyclable high-density polyethylene.

Injection molded base for strength and durability.

A solid floor ensures that parts are not lost and provides a smooth, even load surface.

Four-way forklift entry improve ergonomics and handling.

Positive stacking of one container on another to reduce floorspace

*Capacity depends on application and use environment. It is based on equally distributed loads. Elevated temperatures or concentrated loads may affect capacity. Specifications are subject to change without notice.
All dimensions are approximate.

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.).
