

90 x 48 Medium-Duty Collapsible Bulk Containers

PRODUCT INFORMATION

Product Category: Collapsible Bulk Containers

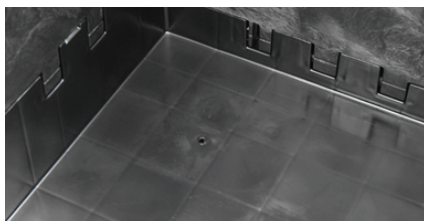

Industries: Automotive, Industrial Manufacturing,
Transportation Equipment

The 90" x 48" medium-duty extended-length collapsible bulk container is a state-of-the-art material handling container engineered for long life under tough conditions and repeated use. Made from high-density polyethylene, the 1,000 lb.-capacity, medium-duty container has three height options: 25", 34" and 41". The 90" x 48" height container is stackable, easy to assemble and knock down, 100% recyclable, and reduces storage and transportation costs. It has a pallet jack and 4-way forklift access for secure and efficient handling. Drop doors on the 48" sides allow for easy access to contents. This collapsible bulk container is ideal for storing and handling large parts, industrial materials, and commercial supplies.

SPRING LOADED LATCHES

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsible sidewalls.

CORNER DRAIN HOLES

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

FULLY ARTICULATING HINGES

Fully articulating hinges on access doors allow the doors to open fully and lay flat against the container sidewall.

FEATURES & BENEFITS

✓ Two drop doors allow for quick, easy loading or removing contents.

✓ 1,000 lbs. capacity

✓ Available Heights: 25", 34", and 41"

✓ Made from 100% recyclable high-density polyethylene.

✓ Ideal for the storage and transport of long, heavy parts

✓ A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

✓ Forklift entry improve ergonomics and handling.

✓ Positive stacking of one container on another to reduce floorspace

**Capacity depends on application and use environment. It is based on equally distributed loads. Elevated temperatures or concentrated loads may affect capacity. Specifications are subject to change without notice. All dimensions are approximate.*

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.).
