

30 x 32 Medium-Duty Collapsible Bulk Containers

PRODUCT INFORMATION

Product Category: Collapsible Bulk Containers

Industries: Automotive, food products, textiles

Repairable All-plastic Latches

All latches and hinges are 100% field repairable with ease

Textured Label Area

Textured label areas eliminate the need for placards

U-channel Ribbing

U-channel ribbing improves both vertical and horizontal deflections

High-pressure Injection Molded

High-pressure injection molded, two-piece compression heat-welded base is the most durable on the market

The 30 x 32 medium-duty collapsible bulk container is a versatile and durable storage solution for a variety of industries. This container is a unique combination of high-pressure injection molding technology and a proven hot-plate welding process that delivers the best strength-to-weight ratio. Made from high-density polyethylene (HDPE) provides capacity up to 1,800 pounds and available in 25 and 34 height options. It features a collapsible design, making it easy to store when not in use.

DROP DOORS

Two drop doors on the 32" sidewalls, for easy access.

ERGONOMIC LATCHES

Repairable all-plastic latches

TEXTURED LABEL AREAS

Textured label areas eliminate the need for placards.

FEATURES & BENEFITS

Made from 100% recyclable high-density polyethylene

25 and 34 height options

4-way forklift and pallet jack access streamlines handling and transport

1,800 lbs. weight capacity

Textured label areas eliminate the need for placards

Solid bottom flooring.

"U-Channel" ribbing provides superior load handling

T-slot creates perfect alignment of sidewalls and better absorbs vertical force and impact

PRODUCT SPECIFICATIONS

Fork Opening (Short)	7.5" x 2.25"	7.5" x 2.25"
Fork Lift Entry	4-Way	4-Way
53' Trailer Load	240	180
53' Trailer Collapsed	540	540
Floor Type	Solid	Solid

**Capacity depends on application and use environment. It is based on equally distributed loads. Elevated temperatures or concentrated loads may affect capacity. Specifications are subject to change without notice. All dimensions are approximate.*

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.).
