

57 x 48 Extended-Length Collapsible Bulk Containers

PRODUCT INFORMATION

Product Category: Collapsible Bulk Containers

Industries: Automotive, Industrial Manufacturing, Transportation Equipment

The DuraGreen 57" x 48" bulk containers are extended length containers built to accommodate long and hard-to-fit component parts. They will fit a 3' x 4' item with room to spare for dunnage or several rows of smaller items. This size is an excellent choice for items that are just slightly too large for the standard 45" x 48" footprint and available in 25", 34" and 44" height options. These extended-length collapsible bulk containers are stackable, easy to assemble and knockdown, 100% recyclable, and saves on storage and transportation costs. Pallet jack and 4-way forklift access allows for secure and efficient handling. Drop doors on the 57" and 48" sides allow for easy access to contents. This versatile general-purpose bulk container is ideal for a wide range of shipping and storing applications. 100% recyclable.

SPRING LOADED LATCHES

Ergonomic spring loaded latches provide a quick and reliable locking mechanism for both access doors and collapsing sidewalls.

CORNER DRAIN HOLES

Drain holes strategically placed in the interior corners of this solid bottom container keep liquids from pooling.

SOLID FLOOR

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

FEATURES & BENEFITS

Four drop doors allow for quick, easy loading or removing contents.

2,000 lbs. capacity

Available Heights: 25", 34" and 42"

Made from 100% recyclable high-density polyethylene.

Base designed for high impact and product protection

A solid floor bottom ensures small parts will not be lost and provides a smooth and even load surface.

Four-way forklift entry improve ergonomics and handling.

Positive stacking of one container on another to reduce floorspace

PRODUCT SPECIFICATIONS

Container Model	DGX574825-4	DGX574834-4	DGX574844-4
Exterior Height	25"	34"	44"
Exterior (L x W)	57"(L) 48"(W)	57"(L) 48"(W)	57"(L) 48"(W)

**Capacity depends on application and use environment. It is based on equally distributed loads. Elevated temperatures or concentrated loads may affect capacity. Specifications are subject to change without notice. All dimensions are approximate.*

RPP Containers® warrants its containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e., forklift damage etc.).
